COVID GUIDELINES FOR THE 2022-2023 SCHOOL YEAR

I agree to the following guidelines at Montessori Centre of Barrington:

1. All children must be Covid-free, and may not attend MCB with a fever, runny nose (green or clear), vomiting, or diarrhea, for at least 24 hours, or on an individual basis (for example, cleared with a doctor's note).
2. I agree to take my child's temperature each day before arriving at the Centre, and will confirm lack of fever, or other symptoms.
3. I understand that if my child appears sick at school, I will need to pick her or him up, at the discretion of the MCB staff, and that my child will need a Covid test in order to return to school.
4. I agree to wear a mask and social distance at drop-off and pick-up.
5. I also agree to follow the Rhode Island Department of Human Services, and Rhode Island Department of Health regulations throughout the 2022-2023 school year.
6. Preschool students are required to wear masks inside the facility.
